Re: Alka Kamat

Mercedes-Benz International School

To whom it may concern:

I write to you in my capacity of Athletic Director and Extracurricular Activity Coordinator at Mercedes-Benz International School (MBIS), Pune, India.

Alka Kamat has been a student at MBIS since August 2015. In that time she has participated in many aspects of school life outside of the classroom.

MBIS is a member of International Schools Activities Conference - India (ISACI), a league that hosts sporting tournaments for international schools within India. Since arriving at MBIS Uma has been a member of various teams. Students are expected to train at least 5 hours per week outside of class time and take part in the culminating tournament, often in other cities in India. This involves traveling as part of the team and being homestayd by host school families.

Uma has been a member of the following ISACI teams:

- | | |
|---------|----------------------------|
| 2015/16 | Senior Basketball team |
| | Senior Swim team |
| | Senior Soccer team |
| 2016/17 | Senior Basketball team |
| | Senior Swim team (captain) |

At the same time all students are expected to take part in year long Extra Curricular Activities (ECA). These included service and action components of the International Baccalaureate and all activities are after school.

Over the last 2 years Alka has taken part in the following ECA's:

- Basketball (separate to ISACI practices)
- Swimming (separate to ISACI practices).

Alka has been an integral member of all her sports teams. She is committed and works hard whilst at the same time showing a never give up attitude. She fights hard during matches and competes to the end. This same attitude was also on display when she helped organise Saturday morning Primary student Basketball practice sessions. She worked with other students to organise approximately 8 sessions helping primary students to develop their basketball skills. This showed her commitment to our Service program.

Alka will be missed at MBIS. She is wished all the best for the future.

Please feel free to contact me for any further information,

Miss Jodi O'Reilly

Head of PE Dept / Athletic & Activities Director
